

## PRE-SCHOOL & DAYCARE PACKING LIST

### PRE-SCHOOL

Bring a backpack with:

- Two snacks (lunch bags need to include an ice pack.)
- Water bottle
- A change of clothes with pants, shirt, underpants, and socks in a Ziploc bag. (We encourage you to dress your child with clothes without belts, ties, difficult to manipulate buttons/zippers, etc.)
- A clean pair of indoor Velcro footwear to wear as inside shoes. (They need to go home every day.)

### DAYCARE

Bring a backpack with:

- Two or three snacks (lunch bags need to include an ice pack.)
- Lunch (**healthy nutritional** food please, you can bring dinner's leftovers, sandwiches, pasta salad, etc.)
- Water bottle
- 1 small non-toxic\*\* plant (Caring for plants is a good first step in **taking responsibility** for another living being.)
- A change of clothes with pants, shirt, underpants, and socks in a Ziploc bag. (We encourage you to dress your child with clothes without belts, ties, difficult to manipulate buttons/zippers, etc.)
- A small blanket and a favorite stuffed animal for nap time in a bag with a zipper.
- A clean pair of indoor Velcro footwear to wear as inside shoes and to be left in the child's cubby (Slippers, crocs or bare feet are **not** permitted)
  - **Summer:** A hat, sunscreen and insect repellent (NO aerosol cans are allowed)
  - **Winter:** Toque, waterproof mittens, snow pants, coat, extra socks, snow boots (we recommend leaving a spare set of winter clothes at the daycare so that you don't have to carry all items back and forth.)

### IMPORTANT:

- No toys are allowed as The Kids Place will not be held responsible for any lost or damaged toys.
- Please label every item in your child's bag.
- Slippers, crocs or bare feet are **not** permitted.
- \*\* Examples of non-toxic plants: African Daisy, African Violet, Bamboo, Boston Fern, Gardenia, Petunia, etc. <http://www.ohsu.edu/xd/outreach/oregon-poison-center/upload/Non-Toxic-Plants.pdf>
